**Subject:** Email capacity

Hi Peg,

The folks on the Bristol Bay Team (Tami, Heather and me) have been directed to keep all of our email relating to the Bristol Bay Watershed Assessment due to FOIA requirements. My mail box is now up to 80% and I am not allowed to delete most of it. I imagine Heather and Tami are in the same position. I was told by PC support to call you for an increase in capacity for email so.
